Report Date: September 22, 2006

PRODUCER INFORMATION

An inspection was conducted of Darkside Entertainment pursuant to 18 USC 2257 and 28 Code of Federal Regulations Part 75. The inspection was conducted at Darkside Entertainment on September 12, 2006, at 14141 Covello St., #5B, Van Nuys, CA 91405. Inspectors had previously visited Darkside Entertainment on Friday, September 8, 2006, but no one was present during the morning hours. Due to this, Darkside Entertainment likely had advance notice of the inspection. [REDACTED] General manager of Darkside Entertainment, phone number (818)778-6537, cell phone number [REDACTED], granted access and was present during the inspection. Also present during the inspection and providing assistance was [REDACTED]. The owner of Darkside Entertainment, [REDACTED], was not present as he was reportedly attending to his ill father.

INSPECTION SUMMARY

DVDs produced by Darkside Entertainment were ordered from the internet. Contract inspectors reviewed nine DVDs and identified all performers by stage name or by still photographs taken from the video. All videos reviewed contained the required 2257 information in the proper format. A total of 78 performers were identified as appearing in the nine DVDs. Prior to the inspection, contract inspectors printed several still photographs of each performer's face from different camera angles. During the inspection, the still photographs were compared with the performer identification on record to ensure the identification was, in fact, of that performer.

After the inspection on September 12, 2006, it was determined Darkside Entertainment had 2257 violations. These included: 2257 records were not maintained on the premises for the movie "Around the Way Girls;" the identification photograph of one performer was of such poor quality it was not identifiable; photo identification of one performer was not maintained with the other 2257 records; and performers' names were not cross-referenced. Details of these violations are listed in the findings section of this report. Copies of available pertinent records were made by the inspection team.

One performer, (P-1) appeared underage. A DMV check was run to determine her true DOB. Investigation determined (P-1) photo identification was authentic and she was of legal age at the time of the filming.

During this inspection, all provisions of 18 USC 2257 guidelines were followed by the inspection team.
